

# FIRE STRETCH

Find out more about our Fire Stretch fabric which combines protection and comfort.

Thanks to its 2% of elasthan in weft direction, our fabric is highly elastic for even more flexibility.

Fire Stretch offers very good mobility in any kind of environment.

USE: station wear, wildland

- OPTIMUM COMFORT: stretch fabric, soft touch
- FR AND ANTISTATIC PROPERTIES
- GOOD MECHANICAL PERFORMANCES
- ALSO AVAILABLE IN SOFTSHELL
- FUNCTIONAL : easy care, suitable for multipurpose suits
